+

truck

hello +

ciao

they,
a + a,

asked for a **tower.**

4.9 meter high

disassembly +

we unbuild
we pack
we restore

material must flow –
where and what will you be next?

we are certain:
it will be glorious,
material

design +

we use
what **surrounds** us.

this place: materialpark, hds.²

scaffolding, ibc-tanks, alu-facade parts
ghosts of shells

kupplungen?
a trade with **neighbors**.

then - a sketch?

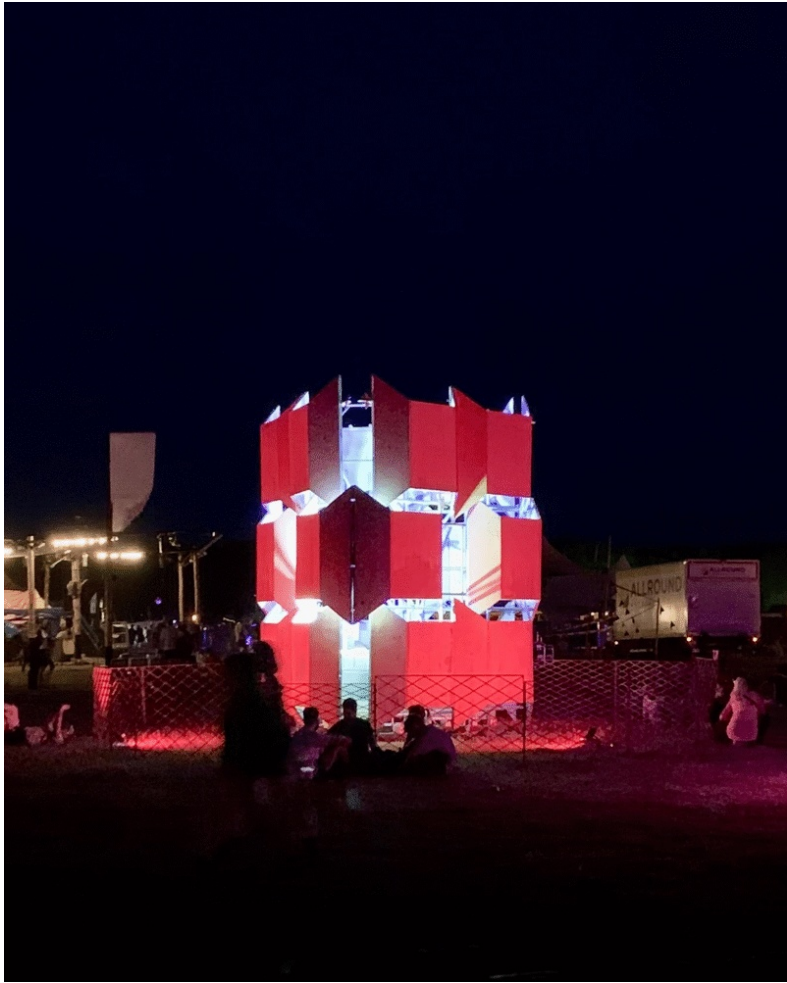

²alexanderplatz,berlin

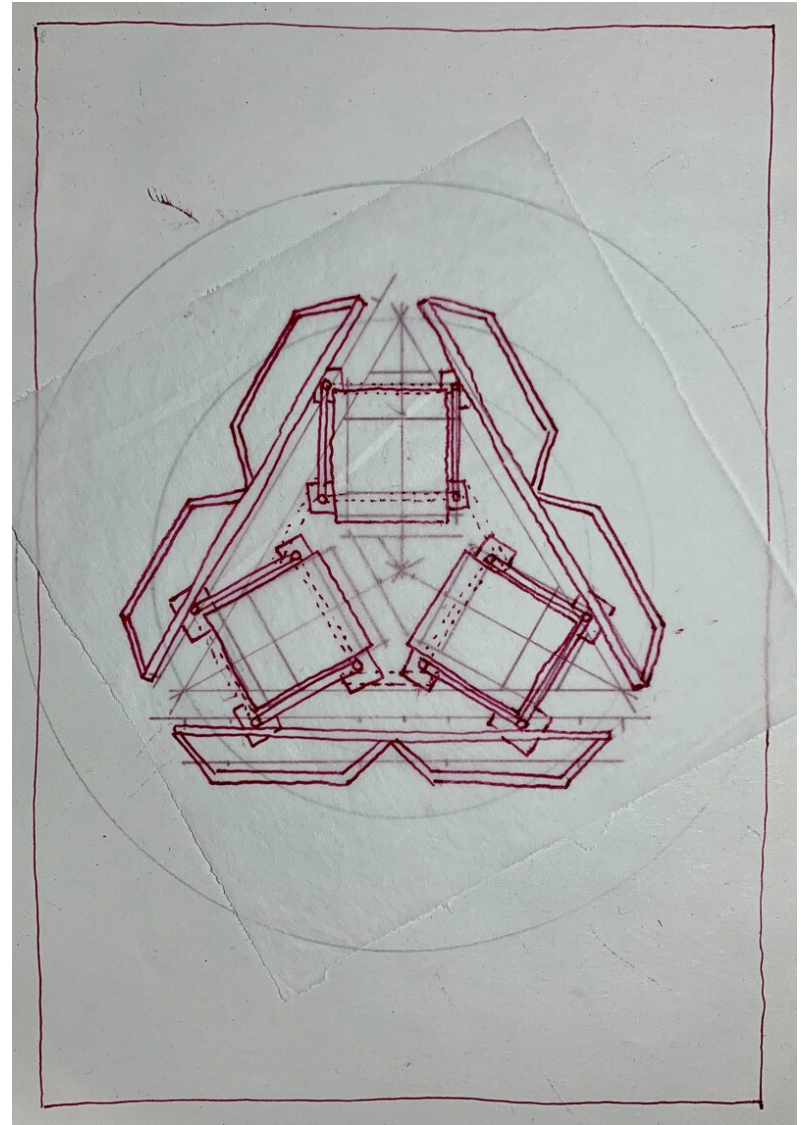

ghosts

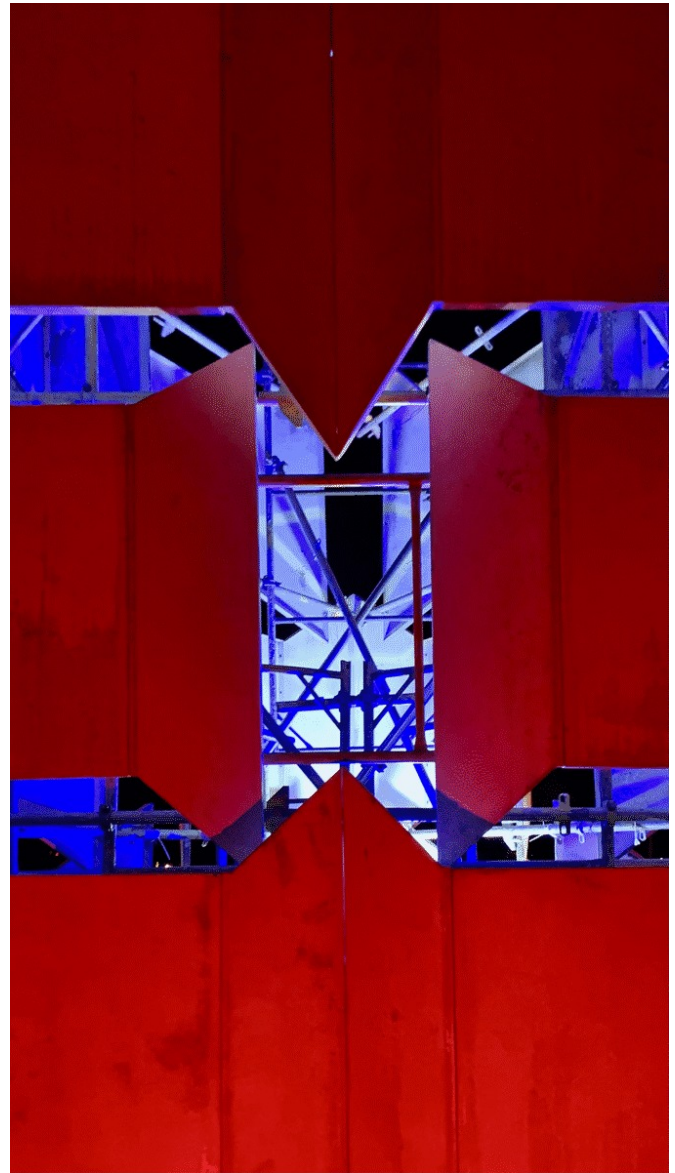

by night

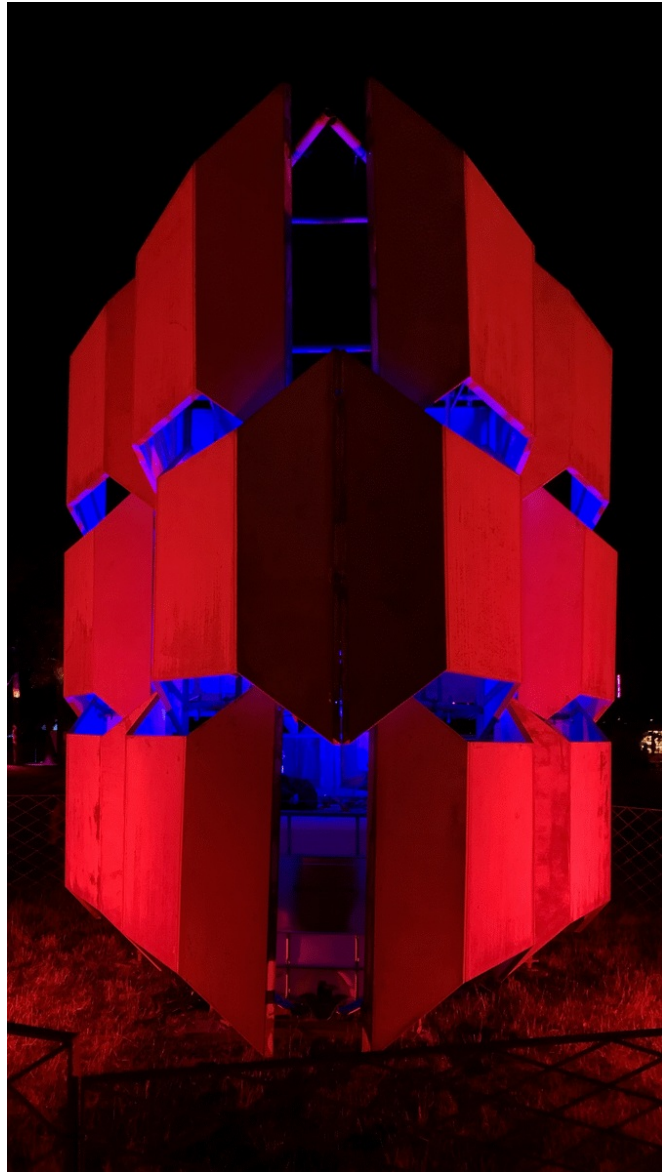

implosion

draft

eye

corner

build-up +

we build

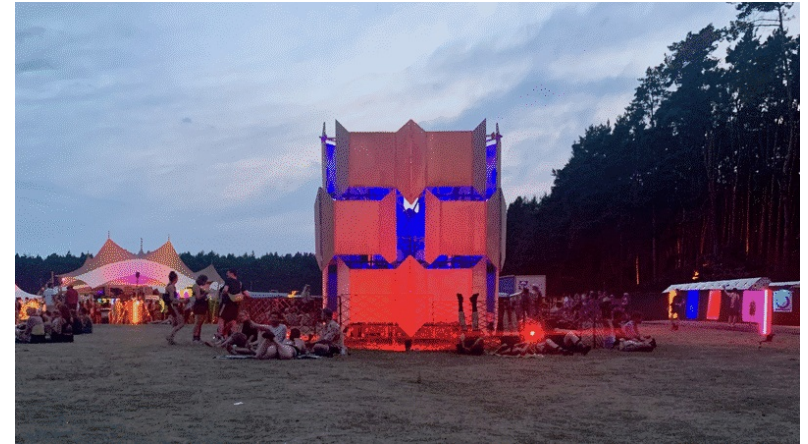

design: it is just a draft
the site **rewrites**

material, error, chance decide

and then -
something
is
there?

a + r + ibc + scaffolding

rest

moment

vibe

alu-facade
